FROM THE PRESIDENT'S DESK

Greetings! Finally, the cooler weather is here! Trust you have begun your winter season duties to protect your ponies. The cooler weather indicates a number of annual events at Green Country Classic Mustangs.

Of those, club officers and board member elections is at the forefront. We have four board member positions available this year. Normally there are three… Jim Massey has requested his tour of duty end a year early to accommodate a busy 2015 calendar. Here are the current positions and nominations:

Board Members: Melvin Little, Jerry Bush, Donnie Moseby, Jim Massey - Nominated: Melvin Little, Donnie Moseby - Donnie and Melvin have accepted. To be nominated: Scott Grant and Corky Bradford.

Secretary: Rachael Granado - Nominated: Rachael Granado and accepted.

Treasurer: Sandy Bradford - Nominated: Sandy Bradford and accepted.

Vice-President: Ron Watkins - Nominated: Ron Watkins has declined. Jason Granado.

President: John Hemby - Nominated: John Hemby and accepted.

Director Positions:
Meal Cruise - Steve & Rita Young are stepping down after five years
Nominated: Daniel Place
Parade Director - Mark Hebenstreit
Activity - Jim Massey is stepping down
Life Event - Steve & Rita Young
New Members - Open
Sponsors - Open
Librarian/Historian - Open
MCA - John Hemby is stepping down
Christmas Party - Open

Please participate by nominating now and voting at the December general meeting.

My deepest appreciation and thanks to the current officers, board and directors… we could not be the active club we are and improve for the future without them.

Reminder - Dues of $30.00 per year (non refundable) are payable upon initiation and once each year thereafter by January 1. Dues become delinquent one month after January 1 and nonpayment by March 1 results in automatic termination of membership. See application form on page 19.

Annual Toy Run

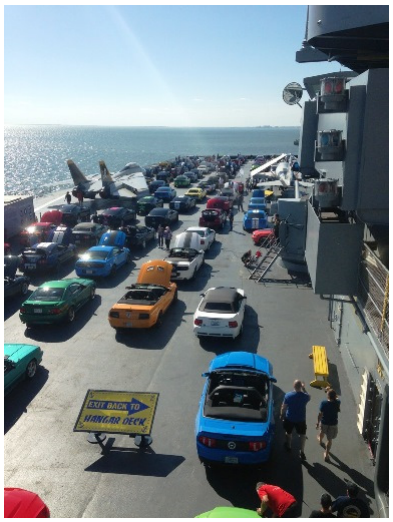
MustangFest 2014 - *Sandy Bradford*

Well, it's been a busy month for us. Corky and I, as well as Jerry Bush, left September 30 heading to San Antonio for a couple days of sightseeing before the crowd arrived on October 2. Of course, we went to the Alamo, and Tower of the Americas and the Riverwalk as well as a few other places in our days before everyone arrived. Cars started coming in the afternoon of October 2. We had several cars from our club, including ours and Jerry's, Lori Hannigan, Steve and Rita Young and Ken and Mary Calvert. We all met at Jordan Ford and drove to Cowboy's Dance Hall for dinner furnished by Jordan Ford. It was really good.

Then Friday morning, we headed to Corpus Christi to MustangFest. This year, for the first and only time, the cars were on display on the flight deck of the USS Lexington. Saturday morning we had to have all the cars loaded by 7:00am, so we were in line at 5:15am. Didn't know there was such a time when you're on vacation! But, when they began loading the cars, there were 14 cars per load and it took 26 seconds for the lift to get from the Hanger deck to the Flight deck where we were directed off and to our parking place. I've never seen so many Mustangs in one place! And they were gorgeous! They stayed on the ship overnight.

Saturday evening we attended a VIP dinner on the Hanger deck catered by the Texas Roadhouse. They had Mustang Elvis there as well as an island style band that was really good. Sorry I can't remember their name. Saturday and Sunday as the public began arriving to tour the ship, many of them got quite a surprise as they didn't know the Mustangs were there. We met so many really nice people from all over the country. There was a World War II Vet who was 95 years old and drove his car with a friend from Roswell, New Mexico. Pretty impressive! We met people from Florida to California, Washington to Mexico. It was quite an experience.

Sunday afternoon after 5:00pm when all the public had left the ship, they began taking the Mustangs off, 12 per lift. It was really surprising how fast they could load and unload those cars! We spent the night in Corpus, going to dinner with several friends, new and old, and headed for Waco Monday morning where we went to the Texas Ranger Museum and the Dr. Pepper Museum, both of which were very interesting. Then we went to Plano to tour Southfork Ranch from the show Dallas. We got back home Wednesday afternoon. If you'd like to see the loading and unloading of the cars, use these links, http://www.youtube.com/watch?v=Dtxz3_VniYs and http://www.youtube.com/watch?v=BlYnKeUiFTI . I can tell you, MustangFest 2014 was a BLAST!! Wish you could have all been there!

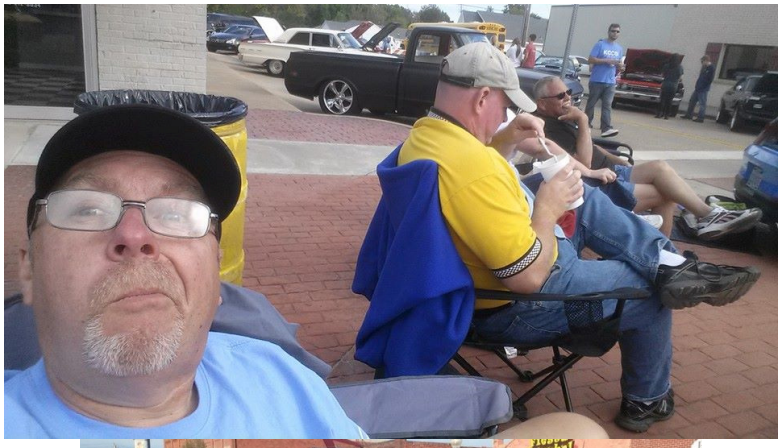


Grills and Grilles Car Show in BA - *Sandy Bradford*

Saturday, October 18, Broken Arrow had a car show on Main Street downtown called Grills and Grilles. When they were giving out awards, they said they had planned this show three times and held it twice. We went to the show year before last and really enjoyed it so wanted to go again last year, but they were revamping Main Street at the time and it didn't get completed in time for the show. So when we heard about it this year, we planned to go.

There were approximate 200 cars in the first show and 300 in this year's show. There were some beautiful cars as well as some unusual ones. They had several food trucks and vendors, also. Broken Arrow Main Street has really built up with lots of restaurants and shops to visit. We had lunch at "On the Rooftop" with Mark, Carmen and Danny. And dinner at Main Street Tavern with Bill and Janice. Both places had really good food. There were five cars entered from the club including Jim Liner, David Newby, Mark Hebenstreit, Bill McGhee and Corky. We also had invited some friends from Arkansas that we met at the Eureka Springs car show, Carmen and Danny Andreasen, who have a 2009 Mustang GT with a factory glass top. Art and Paula Frerichs stopped by to see us as well as Jan and Jim Massey.

At the end of the day, Jim Liner won Top 3 in his class, Bill McGhee won Top 3 in his class and David Newby, Carmen & Danny and Corky won Top 3 in our class. It was a really fun day and I don't see this show doing anything but getting bigger and better. I hope we will have a bigger showing from the club next year.



2014 CHRISTMAS PARTY!!

The party is December 19 from 7pm - 10pm. The location is the South Tulsa Baptist Church, Tulsa OK. The cost is $5.00 per club member and an RSVP is required by December's General Meeting (Dec 4). You must be a registered club member (As defined in the By-Laws) for 2014 or 2015. No reservations will be taken after the Dec 4 General Meeting.

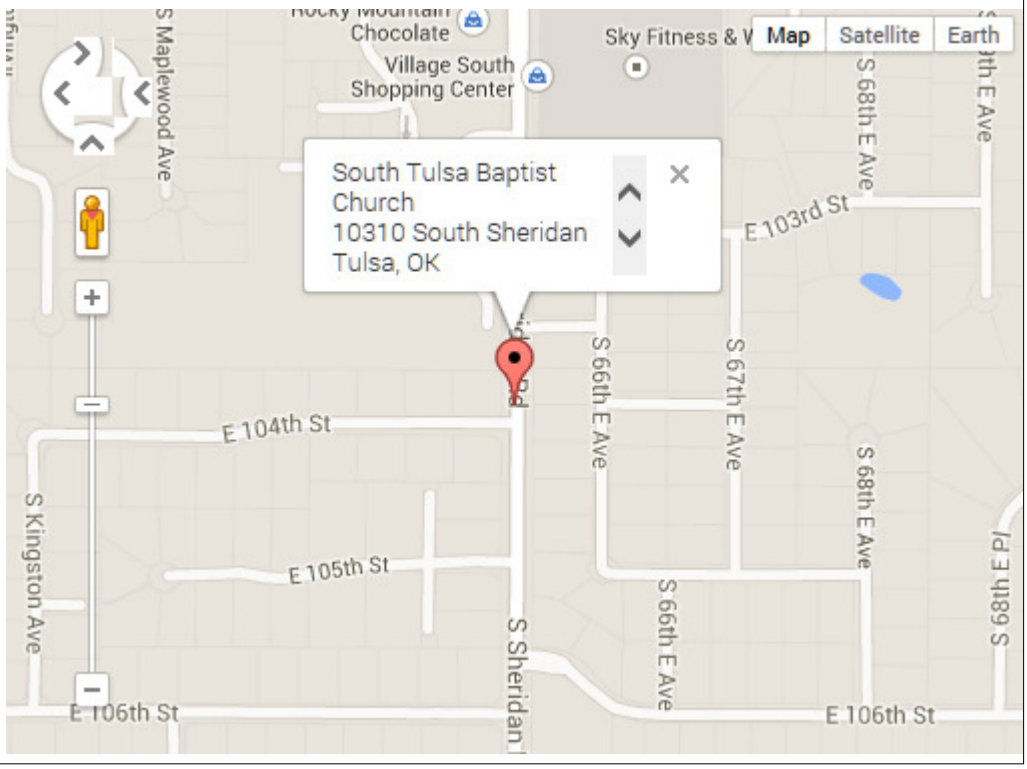
Will Huber will collect head count and payment. If you can't make a meeting or club event by the Dec 4 meeting to provide head count and payment, mail it to the club PO Box (see last page of newsletter) and call Will (918.284.3306) with the head count informing him payment is in the mail. Please inform Will how many children will be in attendance... we don't want Santa to miss anyone.

The Stu-B-Q menu includes: Two ribs, Sliced Brisket and Chicken. Sides: Cole slaw and baked beans. Dessert: Apple, Cherry, Peach and Blackberry cobblers
(Coffee, Water & Tea are included)

Entertainment to be announced at later date.

Registered Members: $5.00 per person
Children of members age 5 and under : Free
Non-Members: $10.00 per person (actual cost of meal)
Non-Members age 5 and under: Free
Note: We will have gifts for children under age of 12.

So come on out and celebrate the reason for the season with Green Country Classic Mustangs!



South Pointe Auto Mall - *Sandy Bradford*

Corky went to the South Pointe Auto Mall Car Show yesterday, October 25, put on by the Corvette Club and benefiting the Little Lighthouse. There were around 125 cars there, all makes, models and years. Bill McGhee was also there with his Mustang. Bar-B-Q was furnished by Stu-B-Q and was really good. (That's who we picked for our Christmas dinner!) Corky said it was a really fun day. There were 10 or 11 Mustangs, classic and new. Corky came in 3rd in the Mustang Class. I'm hoping this is the last show till spring! Haha!

Crocheted Dolls Instead of Anger

A man and woman had been married for more than 60 years. They had shared everything. They had talked about everything. They had kept no secrets from each other except that the little old woman had a shoe-box in the top of her closet that she had cautioned her husband never to open or ask her about.

For all of these years, he had never thought about the box, but one day the little old woman got very sick and the doctor said she would not recover. In trying to sort out their affairs, the little old man took down the shoe-box and took it to his wife's bedside. She agreed that it was time that he should know what was in the box. When he opened it, he found two crocheted dolls and a stack of money totaling $95,000. He asked her about the contents. "When we were to be married," she said, "my grandmother told me the secret of a happy marriage was to never argue. She told me that if I ever got angry with you, I should just keep quiet and crochet a doll."

The little old man was so moved; he had to fight back tears. Only two precious dolls were in the box. She had only been a angry with him two times in all those years of living and loving. He almost burst with happiness. "Honey," he said, "that explains the doll, but what about all of this money? Where did it come from? "

"Oh," she said, "That's the money I made from selling the dolls."

Member Steve Armstong and a friend went to Louie's for supper recently and saw this on the street. They met the owners while taking pictures of this beauty. The owner claims only 50 were built. Do you know what it is? Answer below...

Answer: The car is a 1941 Lincoln Continental with the V12 engine.

50 YEARS

Boss 302–The Ground Groover!

Boss 302 is Ford's pavement-hugging, corner-chopping, flat-riding, curve-clinging road lover. Take it out on the snakiest, windingest track you know, stick it in third and pour on the power. The Boss'll stay with that course like a slot car sticks in its groove. Because Boss was born on the winding, twisting Trans-Am circuits, where Mustangs took two Championships.

The standard specs sound like a $9000 European sports job instead of a reliable, reasonably priced American pony car. Start with a front spoiler; then under the black hood—Ford's F.I.A. sanctioned 5-litre, 290-hp V-8; next a fully synchronized 4-speed with a Hurst Shifter®. Control is precise with 16 to 1 manual steering, and stopping is right *now* thanks to front power disc brakes.

Rear axle is heavy-duty 3.5:1 with staggered shocks to combat wheel hop. Competition suspension and F60 x 15 belted tires round out the list of standard equipment.

Boss is so complete, all you need to do is think about options like Magnum 500 chrome wheels. Your biggest problem—trying not to spend 24 hours a day driving it!
