FROM THE PRESIDENT'S DESK

Greetings fellow Mustang enthusiasts!

Did you see Steve and Rita Young's Hot Pony as The Featured Pony on the GCCM Corral page last month? Nice ride eh?! It's a shame we don't have one for this month. Want to be next? Send me the article and picture(s)!

The weather couldn't have been better for our annual club picnic! Melvin Little and his crew report we broke records this year as it was the largest ever! Thanks to OMC for their financial support.

The Mid-America Car Show is two weeks away… and I'm feeling anxious over the few volunteers we have. Whether you are showing or not it would be great to see a huge turnout of our GCCM family. We can't do everything but we can do something.

We need judges... Experienced / low / or little experience and scribes. There will be a tutorial at the meeting this coming Tuesday... and a walk through review at the show prior to the task.

We have judge's sheets and guidelines to facilitate the judging process. Billy Henson and Steve Armstrong are our head judges and will make it clear and simple for all.

Earl and Cindy Hillard are providing bottled water and the means of getting them to all volunteers.

In addition, we need members working the entries and areas of the parking lot to direct participants. Hope to have 20 members to split into two shifts There will be a registration trailer where we will have members taking and managing the registration. We need runners to take the completed judging sheets to the same trailer where tabulation will be conducted.

I ask that someone will pick up donuts... at least four dozen and the club will reimburse you... who will do that for us?

Congratulations to Ron & Carol Watkins for winning their first Medallion Grill award and Gold with their 2008 Bullitt and to Jim & Jan Massey for winning Gold with their 1995 convertible GT at the MCA National Show held at St Augustine Fl in April.

Don't forget, if you should change address, phone number(s), change your choice of ride, your last name, or give your name in marriage… let our secretary Rachael Granado know to maintain a current roster.

If you have ideas for dinner, lunch or activity cruises… or know of a car show… don't be shy! Get in touch with us and we'll get the word out. Or take a chance and use the all members email address to let us know… gccm_members@googlegroups.com.
