From the president's desk

Greetings to Club Members and guests.

We had a good kick-off meeting in January and thank you to all involved. I've had a great January with the arrival of my new grandson and future Mustang driver, Bennett Scott Lund. Healthy and alert at 7 pounds and 20.5 inches long. He and older brother Thomas, 2 ½, are blessings to my family.

And, speaking of children, John Hemby and I met with Rachel from The Little Lighthouse last week and presented her with the \$1,000 check from the club. She was very pleased and thanked our club members for our support. She also gave John and me a tour of the facility. We were impressed with the thought and planning involved in the newly added areas. You can all be proud of the money given to help these children with a future they might not have known. Kudos to you.

Next up is the 2017 Starbird Show. This will happen Feb. 17-19. We will plan to move in Wednesday, Feb. 15. So far 16 members plan to go and I'm sure more will follow. I will keep in contact with participants and supporting club members by phone and e-mail.

Jim Liner now is in St. Francis Hospital rehabilitation area and continues to improve. Larry Love and I visited recently and his family thanked the club for their support. Mary Brawley was sick recently but is now home from the hospital. John says she is better. Mary is waiting for test results to give her the best of care. Thank everyone for their prayers.

By the next meeting we should have chairpersons selected for the 2017 Roundup and will continue to keep you informed. Be sure to renew your membership dues.

Thank you for your Club support in the months ahead.

Thank you,

Roger Bymun
GCCM President

2016 Round-Up Final Numbers

Roger gave final numbers for round-up show. Final estimated cost: \$3,733.00. The actual cost: \$4,290.00 with fees coming in from Broken Arrow for police, porta potties, street closures, hospitality, trophies, t-shirts, etc. We didn't sell as many shirts as projected. Registration numbers were better than expected. The expected amount was \$1,800.00. The actual amount was \$1,888. T-Shirt sales were down as well.

Sponsorship money still outstanding \$150.00, \$250 may have already been received. Roger has call into missing \$150.00.

Show account down \$661 from estimate due to Broken Arrow profit not as much as expected. The Little Lighthouse will receive \$1,000.

Options for next year

We have been contacted from Gatesway to possibly having our round-up show, or a show and shine with their hot air balloon festival. No cost to us. Date of show is September 16th. Show will end about same time as balloon liftoff. Gatesway needs answer by end of January. Put to vote, we are going to do show and shine this year, and possibly doing round-up there next year. The City of Broken Arrow wants to meet in February to discuss the 2017. This meeting will include dates and venue. Round-up will be weekend after Gatesway, September 23rd? Gatesway savings will be at least \$800.00

Will discuss Chairpersons for 2017 at next board meeting.

Next event coming up will be the Starbird show, sign-up sheet passed around. Show is February 17-19th. Steve Armstrong will help set-up again, will leave his car outside in corral again, as he can't leave it the entire weekend. Next event after Starbird will be Tulsa Auto Show @ Expo, no date given.

Calendars are still in storage, T-shirts still left from 2015, and 2016 Round-Up's, will discuss new pricing at next meeting.

John has agreed to handle IT issues for the club.
