

# Pony Tales

## FROM THE PRESIDENT'S DESK

Greetings fellow Mustang enthusiasts!!

As we entered a new decade back in January 2020, newspapers were full of stories about Australian bushfires, tensions between the US and Iran, and the British Conservatives were reveling in their 80-seat majority. The World Health Organization was already dealing with news of a 'novel coronavirus' in Wuhan, China, a disease that was going to dramatically change the way we lived our lives.

Prior to changing our lives, we were able to attend Arnold's car show and the Starbird Custom Hot Rod show without much to do. However, after March 1 things went south... far enough south we coordinated a Show 'n Shine for Mid America rather than a judged show. Car shows were cancelled left and right while others were rescheduled later in the year. We cancelled our 41st annual All Ford Powered Round Up Car Show in September... the first annual show cancelled that I'm aware of for GCCM... unless you want to count our 40th conducted with the Mid America car show in 2018. Another first due to Covid pressure was the cancellation of our club Christmas party.

2020 did present its challenges yet as always we pushed forward and supported our community with funerals, weddings, birthday drive bys, parades, The Little Light House fund raisers and toy drives.

In reality, every year begins with it's challenges and 2021 is no different. Aside the political environment we still have Covid to negotiate.

This Mustang enthusiast is hopeful for a productive and fun year with his GCCM family. Besides the four MCA Nationals scheduled for 2021... including one in Mustang OK in September... we are planning for our rescheduled 41st show in September too. Other scheduled events for the coming year can be found on the next page... Just 'Round The Bend. Check it out!

Our club Secretary, Cary Rushing, is working on a club points program with a prize if not prizes to be presented at the club Christmas Party. We hope to present the details of the program at the February General meeting.

We begin the 2021 year with Michael Hogan as your Vice President and new Board members Derek Fritz and Dennis Figley. Welcome aboard gentlemen!

New adventures are around the corner. Wishing you and yours health and prosperity in the new year!

Mustangs Rule!

*Thank you so much for your confidence and your votes. I'm looking forward to working with the club members, board members, and fellow officers to make 2021 a great year.  
Thanks, Michael Hogan*

My Friend Derek Fritz and I visited the Little Light House December 2 with a donation from the Green Country Classic Mustang Club. This is a very worthy organization that schools young children with various learning challenges. With individual focus these children are able to function and excel in a difficult world. A very worthwhile cause. Roger Bymun

Of the nine GCCM cars participating in the 12th Annual Oologah Christmas Parade... Doug Goggan (above) and Bill Brewer (below) were captured in the Oologah Lake Leader publication. Green Country Classic Mustangs captured the Wheels of Wonder award. Congratulations family!

# Need for Speed? Follow me to

Below you will find the schedule for High Speed Touring at Hallett Motor Racing Circuit. Jerry and I were happy to see some of our members at the MCA event in November and hope to see them on the track again in 2021.

If you are thinking about tracking your Pony, Hallett is a great place to learn. It is not about speed, it is about car control and discovering what your car is capable of doing. Even if you don't want to track your Pony, Hallett is still a great place to visit during HST, as there are also actual race groups going on track these days as well. Air conditioned bathrooms, cafe, souvenir store, lots of shade trees and some of the friendliest people you will ever meet.

Print this page and put it somewhere you will see it... or check out our Facebook page Events tab... you know you want to come out to the track! Hope to see you soon.
