FROM THE PRESIDENT'S DESK

Greetings fellow Mustang enthusiasts!

What a Mid-America week!! Hallett, Brady District Cruise, Tulsa Raceway and a car show!!

The car show was a great success today... because of YOU! I can't mention all names because I will most likely miss someone... yet I must highlight a few... you guys that helped set up the lot layout Saturday evening, Steve Armstrong and Billy Henson for the judging, Mary Calvert and crew for the smooth Sunday registration process, Art & Paula Frerichs for the impeccable tabulating, the ten judging teams covering 180 cars and trucks, Jan Massey for running completed sheets to tabulation, all of those who helped hydrate our teams, you guys that worked both parking shifts, OMC and COM club members who made the trip out to help, head judges bearing the heat and taking time to mentor the newbie judges and scribes, all of you relatively new members for stepping up to the challenge under the hot weather, and those who made sure I was fed and hydrated. We are truly family... thank you.

Check Presentation

As a result of GCCM performing registration, judging and awards presentation at the Mid-America Shelby meet Sunday car show… a $1000 check was provided by the Mid-America folks for us to present to our charity… The Little Light House.

The check was presented to the good folks of LLH by President John Hemby and Board Member Brad Long. Brad's niece Kadence, a Little Light House student, accepts the check on their behalf with a huge smile.
